🏆 go out for dinner   4 / 5 tasks to g

break   end

iOS Assignment #5
iOS Exam
Notes Mon , 15.01. 12:00 - 12:25 25 minutes

upcoming task
Game Dev Lab
CODING
Notes Mon , 15.01. 13:00 - 14:30 90 minutes

Tasks Calendar Timer Progress More
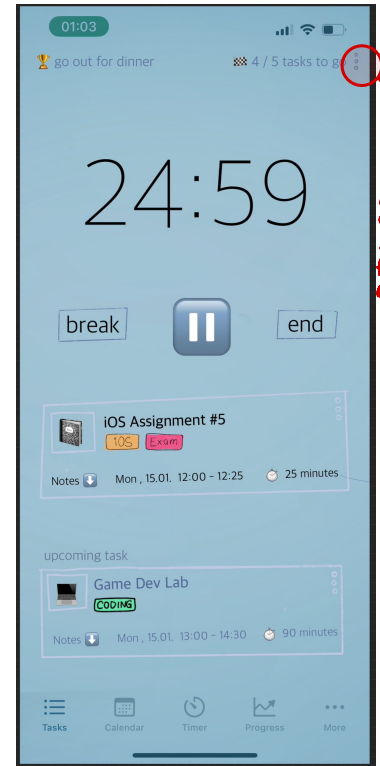

allows for editing rewards and list of tasks set out for the day
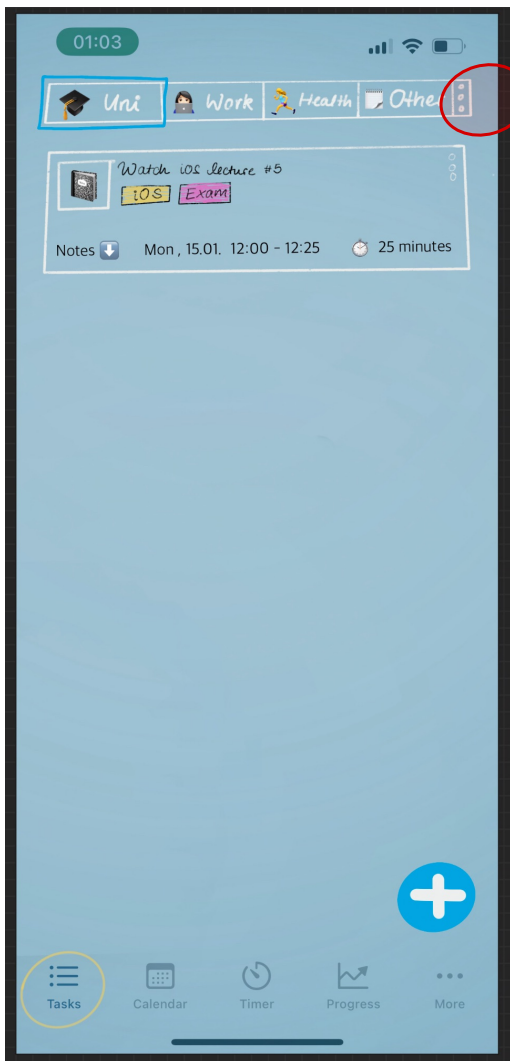

communicate that app is meant for students by having a predefined order for tasks that includes <u>uni</u>

→ add suggestive tags that are uni-specific

→ maybe add ^motivational reminders like "only 2 more weeks until iOS deadline after todays work session you will be one step closer to success"
